#### A: Introduction

The purpose of this accessibility plan is to show what Shears Green Junior School intends, over time, to increase with regards to accessibility for students, staff and visitors with disabilities.

Under the Equality Act 2010 schools are required to have an accessibility plan.

#### B: Aim

Shears Green Junior School intends to treat all pupils fairly, with respect and all equally. The school aims to provide access and opportunities for all students without discrimination.

The accessibility plan aim is to:

- ❖ Increase the capability of students with a disability being able to participate throughout the curriculum.
- Update and maintain the site to make all areas fully accessible allowing disables students to fully take advantage of education, facilities and services provided.
- Update and maintain access to information and emergency procedures throughout the school site.

Shears Green Junior School are committed to ensuring that all staff undertake appropriate disability and equality training with reference to the Equality Act 2010.

The school is committed to supporting available partners to develop, implement and modify the plan, and if required.

The school Accessibility Plan is a public document available to view via the school's website. Paper copies are available upon request.

The school's complaints procedure extends to the accessibility plan. If any concerns arise relating to the school's accessibility, the complaints procedure sets out in detail the process for raising these concerns.

## C: Legislation and Guidance

Shears Green Junior School meets the requirements of the Equality Act 2010 schedule 10 and the Department for Education guidance for education on the Equality Act 2010.

The Equality Act 2010 defines an individual as disabled if they have a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on their ability to undertake normal day to day activities.

Under the Special Educational Needs and Disability (SEND) Code of Practice, 'long-term' is defines as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.

Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a disabled pupil faces in comparison with non-disabled pupils. This can include, for example, the provision of an auxiliary aid or adjustments to premises.

This policy complies with Shears Green Junior School's funding agreement and articles of association.

### **D. Monitoring arrangements**

This document will be reviewed every **3** years but may be reviewed and updated more frequently if necessary.

# E. Action Plan - 2022-2025
